

## Termination of Exclusivity Agreement with Enauta Energia S.A.

Karoon Energy Ltd (ASX:KAR) announces that it has provided notice to Enauta Energia S.A. to terminate the Exclusivity Agreement entered into to undertake due diligence and negotiations in connection with potentially acquiring a 50% non-operated interest in the Atlanta oil field, Santos basin, offshore Brazil. Karoon has also withdrawn its conditional, non-binding and incomplete offer in respect of the potential transaction.

Karoon was unable to complete the necessary due diligence and conclude negotiation of acceptable terms in respect of the potential transaction during the agreed exclusivity period. Given the material scale of the Atlanta project, undertaking and completing satisfactory due diligence and maintaining acceptable terms and risk levels were considered vital by Karoon.

Karoon will continue to evaluate opportunities in line with its announced strategy of seeking value-accretive, inorganic growth opportunities in the normal course of business.

This announcement was authorised by the Chief Executive Officer and Managing Director of Karoon Energy Ltd.

### Forward-looking Statements

Petroleum exploration and production operations rely on the interpretation of complex and uncertain data and information which cannot be relied upon to lead to a successful outcome in any particular case. Petroleum exploration and production operations are inherently uncertain and involve significant risk of failure. All information regarding reserve and contingent resource estimates and other information in relation to Karoon's assets is given in light of this caution.

This announcement may contain certain "forward-looking statements" with respect to the financial condition, results of operations and business of Karoon and certain plans and objectives of the management of Karoon. Forward-looking statements can generally be identified by words such as 'may', 'could', 'believes', 'plan', 'will', 'likely', 'estimates', 'targets', 'expects', or 'intends' and other similar words that involve risks and uncertainties, which may include, but are not limited to, the outcome and effects of the subject matter of this announcement. Indications of, and guidance on, future earnings and financial position and performance, well drilling programs and drilling plans, estimates of reserves and contingent resources and information on future production are also forward-looking statements.

You are cautioned not to place undue reliance on forward-looking statements as actual outcomes may differ materially from forward-looking statements. Any forward-looking statements, opinions and estimates provided in this announcement necessarily involve uncertainties, assumptions, contingencies and other factors, and unknown risks may arise (including, without limitation, in respect of imprecise reserve and resource estimates, changes in project schedules, operating and reservoir performance, the effects of weather and climate change, the results of exploration and development drilling, demand for oil, commercial negotiations and other technical and economic factors) many of which are outside the control of Karoon. Such statements may cause the actual results or performance of Karoon to be materially different from any future results or performance expressed or implied by such forward-looking statements. Forward-looking statements including, without limitation, guidance on future plans, are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. Such forward-looking statements speak only as of the date of this announcement.

Karoon disclaims any intent or obligation to update publicly any forward-looking statements, whether as a result of new information, future events or results or otherwise.
