

SUSTAINABILITY AND OPERATIONAL RISK COMMITTEE CHARTER

1. INTRODUCTION

1.1 Purpose of the Sustainability and Operational Risk Committee

The Sustainability and Operational Risk Committee (**Committee**) has been established by resolution of the Board of Karoon Energy Ltd (**Karoon** or **Company**) to assist the Board in fulfilling its responsibility for operational risk oversight and management, and fostering a culture of sustainability and corporate responsibility. The Board is committed to fostering a culture of corporate compliance, ethical behaviour and decision making, corporate responsibility, good corporate governance and operational risk management outcomes. The Board believes that:

- (a) good operational risk management, corporate responsibility, and corporate governance practices will produce the best outcomes for shareholders and the Company's wider group of stakeholders; and
- (b) an appropriate balance must be struck between identifying, managing and mitigating material operational risks and enabling the Company to employ creativity and focus in achieving its business goals and thereby maximise shareholder value.

2. ROLE AND RESPONSIBILITIES

In its deliberations, the Committee will have due regard to the Board's:

- (a) overriding desire to prioritise the health and safety of Karoon employees;
- (b) need to act in the best interests of its shareholders; and
- (c) need to effectively communicate with, and listen to the views of, shareholders and the Company's wider group of stakeholders.

2.1 Strategic Direction

The Committee is responsible to the Board for:

- (a) leading the Company's strategic direction in the management of material operational risks;
- (b) working with the Board and management to determine the Company's operational risk tolerance;
- (c) identifying opportunities to minimise the potential for harmful environmental or social impacts arising from Karoon operations; and
- (d) key policies and strategies in relation to the health and safety of Karoon employees and the environmental and social impacts of Karoon operations, including the:
 - (i) Health, Safety, Security and Environment (HSSE) Policy;
 - (ii) Modern Slavery Statement;
 - (iii) Risk Management Policy;
 - (iv) Sustainability Policy; and
 - (v) such other policies as determined by the Board from time to time.

2.2 Oversight

The Committee is responsible to the Board for oversight of the:

- (a) Operational risk profile and risk management framework;
- (b) implementation and review of operational risk management and internal compliance and control systems;
- (c) management identification of material exposure to operational, environmental and social sustainability risks and how those risks are managed;
- (d) the Karoon Operating Management System (OMS) with a focus on HSSE issues; and
- (e) Karoon's environmental and social programs.

2.3 Review

The Committee should review:

- (a) on at least an annual basis, the effectiveness of the Company's operational risk management framework in identifying and managing operational risks and controlling internal processes;
- (b) management's plans for mitigation of material operational risks faced by the Company;
- (c) the Operational Risk Register on a periodic basis, identifying the main internal and external risk sources including material exposures to operational, environmental and social sustainability risks associated with the Company's equity/participatory interests in oil and gas exploration, development and production projects and operations;
- (d) the Company's operational insurance program;
- (e) the Company's HSSE performance;
- (f) any environmental or social impacts arising from Karoon operations;
- (g) compliance with the Company's OMS and legislative and regulatory requirements with respect to HSSE and sustainability issues, including the requirements of approved environmental plans related to Karoon operations; and
- (h) Karoon's annual Sustainability Report, which includes Karoon's carbon emissions reporting, having regard to the recommendations of the Financial Stability Board's Taskforce on Climate Related Financial Disclosures.

2.4 Recommendations

The Committee is responsible for making recommendations to the Board as to:

- (a) the Company's operational risk tolerance and particular operational risks and/or risk management practices;
 - (b) continuous improvement of operational risk management and internal control processes, including any issues arising from reviews;
 - (c) Karoon's environmental and social programs;
 - (d) external best practice developments and trends in relation to sustainability and operational, risk management policy and practice.
-

3. ADMINISTRATION

3.1 Membership

The Committee shall comprise the following membership structure:
